

## **JOHN DOLAN**

John Dolan enjoyed a 30-year Wall Street career in MBS and structured products split between the sell-side (as a Managing Director at Salomon Brothers), the buy-side (as Chief Investment Officer at Hyperion-Brookfield), and the industry self-regulatory side (as a board member of the Public Securities Association). Having served as a President in Fixed Income Analysts Society (FIASI) between 2003 and 2004, he was also the Chairman of the MBS division of the PSA for 1988 and a member of the PSA Board of Director for 3 years.

In addition to lecturing at Baruch, since 2007 he has pursued a variety of interests to include:

- Independent litigation-support consultant focused on several prominent sub-prime securities, CDOs, CDS, and Agency MBS cases.
- Market maker for the CME Home Price futures contracts ([www.homepricefutures.com](http://www.homepricefutures.com))
- Guest lecturer at various colleges and industry panels
- Moderator at Greenwich (Foreign Affairs) and Rye Library (Current Events) book clubs
- Greenwich RTM (New-England style Representative Town Meeting) member, dealing with public pension issues and municipal budgets
- Environmental issues (Panelist at S&P on Funding of Alternative Energy, Speaker at Environmental Markets Assoc.)
- GARP FRM (Financial Risk Manager '08) and ERP (Energy Risk Professional '09) certification
- Long-distance bicycle rides

## **EDUCATION**
